# WILA NEW STANDARD ARTOOLS

Combine the proven accuracy and durability of WILA New Standard tools with the Argesystems Automatic Tool Changer. Argesystems and WILA have entered into a partnership for the exclusive production of Argesystems ATC tools branded 'artools'.

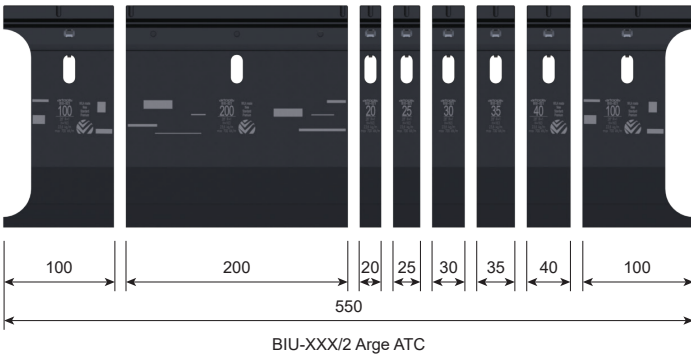

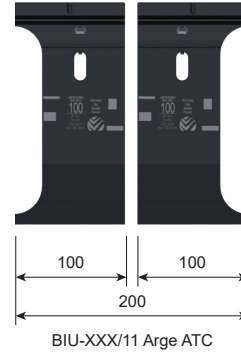

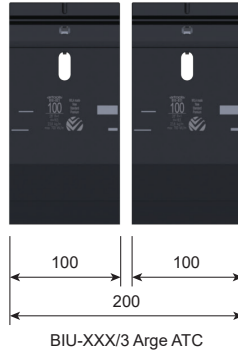

## WILA PRESS BRAKE TOOLING

WILA tools are available for practically all conceivable bending applications. The multi-faceted range of New Standard tools means you are guaranteed to find a suitable solution. For a wide range of thicknesses and specifications, material can be bent with extreme precision. An extra long life-span is guaranteed through the use of CNC-Deephardened high-quality steel alloy.

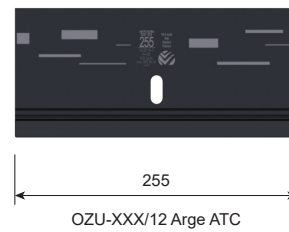

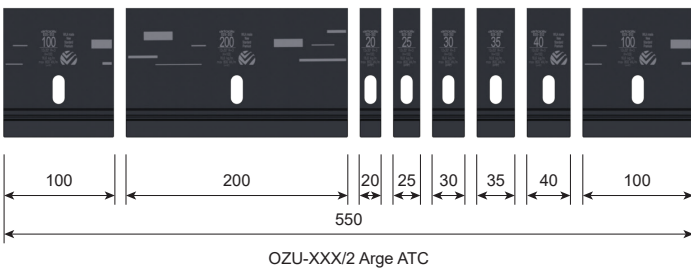

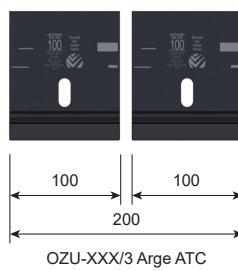

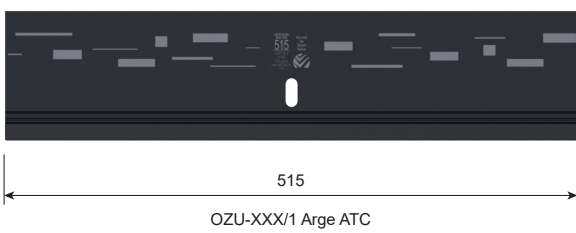

## NEED HELP FINDING TOOLS?
